

AS SEEN IN

FALL. 2012

"Automotive technology is moving at 120 mph. TechSmart™ allows my repair shop to keep up because they provide great parts that solve the tough problems."

Audra Fordin, Owner
Great Bear Auto Repair & Auto Body Shop

Technicians like Audra and you inspire us. We've made it our mission to create an advanced, top-notch line of parts that helps you find new, better ways to solve your customers' issues. And we're only getting started. Join the thousands of technicians who never back down from a challenge — and always reach for TechSmart first.
